

## **MIDDLEMORE RESIDENTS ASSOCIATION AGM**

**TUESDAY 17<sup>TH</sup> NOVEMBER 2015 @ 8.00PM**

### **AGENDA**

#### **1. Summary of last 12 months**

##### **1.1 Lighting**

Some but not all of the lighting on the main roads (Claydon Rd, Farnbrough Drive and Hidcote Way) have been repaired. DDC advised that Balfour Beatty have been instructed. Individual sites and side roads remain developer responsibility. Some developers have been chased on more than one occasion but have taken no action.

##### **1.2 Roads and pathways**

DDC have employed NCC highways for completion of works required for adoption of the Middlemore spine roads. More information will be supplied and during meeting.

##### **1.3 Parking survey outcome**

As previously advised there will be no yellow lining. White lining where there are dropped kerbs will commence once the roads have been surfaced and adopted.

##### **1.4 Defibrillator project**

All our grant applications were successful. British Heart Foundation, Councillor Malcolm Longley and Daventry Town Council.

The defibrillator and cabinet will be arriving very shortly. CPR Training Sessions are being scheduled to commence in January.

### **1.5 Clean Up Events**

Participation in our clean up events on the estate has been very good. Approximately 65 bags of rubbish have been collected since the beginning of May. The estate is looking much nicer now that we have managed to get into the bushes and clear much of the historic rubbish. We now need to focus on keeping on top of the situation.

### **1.6 HGV'S**

There appears to have been a substantial decrease in the number of HGV's driving through the estate. This may be a result of the temporary signage that Councillor Long managed to obtain via NCC Highways.

### **1.7 Bank account**

Middlemore Residents Association now have a bank account. We needed this to be able to apply for grants.

## **2. Election of committee for 2015/16 and dates of future meetings for 2015/16**

If you wish to receive descriptions of committee roles please contact our secretary on 07885 758530

## **3. Matters carried forward for Residents Association meeting**
